

Newbury Fire & Security Alarm Notification Form

FAX

To: Newbury Fire Department

Fax: (603) 763-5379

Alarm companies doing business in the town of Newbury shall inform their customers of the alarm permit requirement. Information on the alarm ordinance is available on this website. The alarm company shall notify the Newbury Police & Fire Departments in writing of any alarms being installed or service that is taken over from another alarm company by providing the address of the installation and the name of the alarm customer. The alarm company shall also notify the town if they discontinue monitoring service of a property in Newbury.

This fax form will provide the required notification to the Town of Newbury.
