

2006 NEWBURY MASTER PLAN

CHAPTER IV

COMMUNITY FACILITIES & SERVICES AND RECREATION

Recommendations: Education Services

1. The Kearsarge Regional School District should provide age appropriate bus service and institute bus service for kindergarten students.
2. The Kearsarge Regional School District should continue to improve the vocational training opportunities offered at the High School through the “School to Work” program and the addition of vocational courses.
3. Encourage Kearsarge Regional School District policies on defining school attendance districts and busing that decrease travel time to school.
4. Encourage the Kearsarge Regional School District to create neighborhood, community based schools.
5. Encourage the Kearsarge Regional School District to continue to promote the Adult Education Program.
6. Encourage the Kearsarge Regional School District to continue to support and encourage vocational educational training including trades, such as electrical, plumbing and carpentry in addition to computer technology type offerings.
