

Town of Newbury

Weather Emergency Contact List

The Newbury Fire Department maintains a list of town residents who may live alone, do not have transportation, be elderly or disabled that the department will check on in the event of severe weather such as a blizzard, Ice storm or long duration power failure or other emergency impacting the Town of Newbury. The department is currently updating the list and adding new people who wish to be contacted.

Following a major storm, a telephone call is made to check on the well being of people on the list. If the person can't be reached by phone, a fire department member will go to the home to check on the person.

If you, a family member or neighbor would like contacted in a weather emergency by the Newbury Fire Department, please send an email with the person's name, address and phone number to newburyfire@gmail.com, Please indicate "Weather Emergency Contact List" in the subject of the email. If you wish, you can mail this completed form to Newbury Fire Rescue, PO Box 373, Newbury NH 03255. This contact information remains confidential and is not shared with any other organization. Please email the Newbury Fire Department if you have questions.
