Comments:

Sign Location

Please use this space to diagram your property, including any buildings and their dimensions, indicating where you want to place your sign. Also include the setback measurements to the boundaries and remember to take into consideration the state right-of way if you are located on a state road.

If you have questions, please call the Code Enforcement Officer at (603) 763-4940 ext. 203. This portion of the application must be complete and accurate before the Code Enforcement Officer will review it.
